RESPECTED SIR/MA'AM,

The Organizing Committee of ISHICON 2025 is pleased to invite you to the 8th National Conference of the Indian Society for Histocompatibility and Immunogenetics (ISHI), a two-and-a-half-day event taking place at Hotel Radisson RED Chandigarh Mohali, from 11th to 13th December, preceded by a Pre-conference Hands-on Workshop on 10th December.

Set in the 'City Beautiful,' this conference offers a unique opportunity to explore groundbreaking advancements shaping the future under our theme "Innovation-Driven Transplant Immunology: Sharpening the Cutting Edge".

As one of the pioneering institutions in the field of medical education and research, PGIMER Chandigarh is delighted to host this National Conference for the second time, the first being in 2016 – An event we still carry fond memories of. We anticipate that around 300-400 delegates will attend this conference from both national and international backgrounds.

We believe that your organization, known for its innovative approach and commitment to excellence in organ transplantation, would be an ideal partner for this event, and are confident that this collaboration will be mutually beneficial and will significantly contribute to transformative conversations in transplant immunology, hence we look forward to your participation. We would be happy to discuss this opportunity further at your convenience.

Best Regards,

Biman Saikia
Organizing Chairperson,
ISHICON 2025

Ritu Aggarwal
Organizing Secretary,
ISHICON 2025
